

Dr Frank Caughman brings 42 years of leadership in clinical and academic dentistry to the HydraBrush Board of Directors. He has a reputation as an outstanding dental clinician, researcher, and educator. Dr. Caughman earned his BS degree in Microbiology from Clemson University, his DMD and residency certificate in General Dentistry from The Medical University of S.C. and his Master's degree in Educational Psychology from Mississippi State University.

In his academic career he has held numerous leadership roles including the Chair of the Department of Oral Rehabilitation and Associate Dean of Patient Services. He has published approximately 75 research and technique articles, coauthored 3 book chapters, and lectured extensively at national and international dental conferences. On a national level, he has served as a Clinical Consultant for the Joint Commission on Dental Accreditation and as a member of the Dental National Board Test Construction Committee. He has served as a reviewer and/or on the Editorial Review Board for 8 dental journals. He is also a Past President of the Academy of Operative Dentistry.

Dr. Caughman's professional honors are many and include election into The American College of Dentists, The Pierre Fauchard Academy, and the national dental honor society, Omicron Kappa Upsilon. He also has been honored by being named an Honorable Fellow in the Georgia Dental Association and was the 2008 recipient of the MUSC College of Dental Medicine's Alumni Award of Honor.
