Dear Shareholders,

As stated in our last email, we are sending a copy of the investor presentation deck crafted by the Management team. This presentation deck outlines the path and vision to achieving a proposed \$4m-\$7m capital raise.

With the deck attached to this email, we would like to offer the first opportunity to expand your investment. This offering is for current shareholders and shareholder friends and family. As with past opportunities, the stock offering will remain at \$2.00 per share. If anyone would care to participate or schedule a conversation regarding the presentation deck, please contact me at zimmercon@gmail.com .

Immediate term use of funds:

Funds received will be used exclusively for furtherance of design, marketing, and business development. See attached for outline and funds needed.
